

OCTOBER 15, 2019

**Ex. Multiple Extent of Rxns:** Use the diagram below to find the following:

- a.) Extent of Reactions:  $\xi_1$ ,  $\xi_2$ ,  $\xi_3$ , and  $\xi_4$ .
- b.) Molar flow rate of  $CH_4$  in the recycle stream given the fractional conversion of  $CH_4$  is 0.815.
