

Chemical Engineering Meeting

September 1st, 2017

Attendees

1. Vikas Berry
2. Vivek Sharma
3. Brian Chaplin
4. Shafigh Mehraeen
5. Betul Bilgin
6. Sangil Kim
7. Sultana Ferdous
8. Meenesh Singh
9. Gang Cheng
10. Yijin Kang
11. Ludwig Nitsche
12. Lew Wedgewood
13. Sanjay Behura
14. Alan Zdunek
15. Michael Caracotsios

Thank you Dr. Lew Wedgewood for his years as DGS

Congratulations to Dr. Betul Bilgin on winning the AIChE 35 under 35 Award

Congratulations to Dr. Meenesh Singh on his NSF Award

Departmental Updates

- GAP company adds onto the 3+2 program
 - This will spread word to wider variety of countries
- Students in other departments are allowed to transfer to chemical engineering program to complete
- Increase of budget: FY16 \$1.9 million → FY 17 \$2.5 million
- Research expenditure in down and scholarship fund has ended
- FY 17 expenditure \$3.1 million
- Increase in revenue \$140K
 - Total revenue \$2.15 million FY 17
- Additional operating budget FY 18 = \$150K

Research Proposals			
	FY 16 → FY 17		
Number of Proposals	15	29	+93%
Funds Proposed	\$4.1 million	\$10.5 million	
Awarded	\$1.3 million	\$3.2 million	+146%

New Building Update

- Cost has gone up from \$36 → \$45 million
 - Approved cost of \$45 million
 - Biosafety hood, culture room, dark room added
- PDF of building's new layout available
- A 40 in. screen can be added to each office
- Provisions to add snorkel, in and out feed for cold & hot water
- Professors can meet with Jan to discuss lab provisions
 - Hood provisions will be discussed with each professor
- All ceiling access
- 1st floor
 - Cell culture
 - 50 tons of steel grade B or better for vibration
 - foundations isolated, isolated air tube
 - provided vacuum pump one per lab and you can purchase more
- 5 labs are for MIE
- DI water available
- 75 chair seminar room/class room
 - Wall of monitors that you can write on the wall or on a tablet (proposed)
 - Glass wall between classroom and Unit Ops room
 - Now legally required to have glass wall to ensure security measures are being followed.
 - Flat not tiered seats
- Peter Nelson still holding onto 2 labs "Dean's Space" and negotiating to get them
- Room for growth for 2 people
- Computational lab will be negotiated for
- Separate kitchen space
- Coffee vending machine in the hallway
- How will offices be allocated?
 - Office can be across the hall from your lab so they can look or cross over in easily
- Video recording classes?

Important Dates

- Open House 9/16/17
 - 2 weeks away; replicate activities from last year
 - Caracotsios slide show/video
 - Singh will show ChemE cars
 - Zdunek to secure room 1047 ERF for event
- 9/19/17 Career fair
- 9/27/17 Distinguished Lecturer Sharon Glotzer
- 10/14/17 Dr. Berry's Dawali Party

- 10/26/17 Freshman Pre-advising
- 10/30/17 AIChE Reception 5:30-8:30 p.m. in Minneapolis
- 11/17/17 Advisory Board Meeting & Industry Day- should try to get UIC alumni to come in as recruiters for the companies
- 11/20/17-11/22/17 Grace Thanksgiving (no specific date yet)
- 12/21/17 Annual Luncheon

Twitter: tweeting out about student success, internships & jobs

Date for PhD retreat & research symposium undetermined yet

- Success in Academia after school or in industry
- Early October?

Committee Assignments

Grad committee: Lew, Brian, Ying, Meenesh

- New: **Gang, Vivek, Meenesh, Shafigh(?)**

Under Grad Committee: Alan , Michael, Sultana, Shafigh

- New: **Alan, Lew, Vivek (ad hoc), Michael, Sultana**

Student Recruitment Committee: Vikas, Gang, Alan, Michael, Betul

- New: **No change**

Lab Safety: Brian, Alan, Jan, Walt

- New: **Brian & Jan (No injuries this Year!!)**

Award Committee: Lew

- New: **Michael**

Website Committee: Vivek, Michael, Sultana

- New: **Jan** (add class info to website, send to cheweb@uic.edu or Jan)

PR Committee: Alan, Betul, Sultana

- New: **Alan, Betul, Sultana, Meenesh (ad hoc aiche)**

Seminar Committee: Vivek, Brian

- New: **Vivek, Sangil, Brian**
- Limit on invitations? Priority to assistant professors (due to benefit for dept. and research faculty), Chicagoland professors are good to go at anytime

Suggestion:

- Keep a centralized list of chemicals in the building
- Or just email other professors

Advisory Committee Elections

Results:

1. Gang
2. Ludwig
3. Lew
4. Brian
5. Ying

1. Alan
